Sui Juris, by Special Limited Appearance submitted only via
Written Communication**

I, Scott-Taggart, a private, living, Sovereign man, created in the image of our God, Sui Juris, Authorized Representative and agent for named-defendant, SCOTT T. ROETHLE, corporate fiction, declares, affirms, and asserts the following, in accordance with the common law in a Court of Record, as seen in Article III of the organic Constitution 1791.

Proper Notice is a fundamental element promised to the accused pursuant to self-executing unalienable Right to Due Process of Law, as seen in the Fifth Amendment. Your local court rule states that I have 14 days to submit my response in opposition to a motion for a hearing before the court can schedule a hearing. I received the motion for a “Frye hearing” on Friday, January 24, 2025, which is only 3 days ago.

Accordingly, the date of February 4, 2025, for a hearing must be immediately vacated, with Notice on the record that the hearing date of February 4, 2025, has been vacated, to prevent self-executing due process of law violation/deprivation as found in the Fifth Amendment.

Additionally, since I am Sui Juris, I am entitled to confer with the prosecutor to coordinate our calendars for any scheduling of future hearings, in person or via zoom, etc.

Kindly immediately correct the error of the court and vacate the hearing date with Notice immediately provided on the record.

Respectfully submitted, this 27th day of January in the year of our Lord, 2025.
